HALEY HOUSE BAKERY CAFÉ

Food with Purpose

CATERING MENU Spring 2009

Nourishing our community while fostering economic independence

Our Bakery Cafe exists as part of Haley House, a small and feisty non-profit that supports those in the community who are in need. This bakery began in 1996 in the South End, where we taught essential job and baking skills to underemployed men and women aspiring to attain economic stability. The popularity of our baked goods supported the steady growth of our training program, and in the fall of 2005, we opened the doors to our expanded Bakery Cafe and catering commissary in Boston's Dudley Square. We hope that our commitment to delicious food made with wholesome ingredients will contribute to making this culturally rich and vibrant neighborhood an even better place to live, to work, and of course, to eat.
