or email livein-apps@haleyhouse.org

The Live-In Community is seeking new members! Our community is composed of 5–10 people who commit to 2 or more years of living and working together at 23 Dartmouth Street in Boston.

The Live-In Community...

- collaboratively manages a soup kitchen, preparing nutritious meals for folks experiencing homelessness, while creating an environment where friendship and community can happen across societal barriers.
- devotes time and energy to forming deep relationships with one another and with our guests.

Haley House is in its 51st year as a volunteer, community-run soup kitchen. Living and working at Haley House is a unique opportunity to experience intentional community living, self-growth, consensus-based decision making, contemplative discussion, freedom to engage in social justice work, building a restorative justice model, hard work, lots of cooking, and much joy along the way!
