#### Perfect Pies: Order Today & Support HH!

Want to wow your family at Thanksgiving? Looking for a way to thank your team at the holidays and support Haley House at the same time? You're in luck! It's time for our annual Thanksgiving Pie fundraiser. Each delicious handmade pie you purchase will directly support Haley House and help get us closer to our relaunch!

Our 9" pies are made from scratch by our talented baking team, using locally sourced ingredients (\$30 each). Choose from five varieties: Apple Crumb, Blueberry Crumb, Pecan, Pumpkin, and Sweet Potato. Pies can be picked up at the Bakery Cafe on Monday or Tuesday before Thanksgiving (11/25-26).

Orders of 10+ pies qualify for free delivery. If you're interested in placing a large order, become a Pie Captain! As incentive, for every 20 pies sold, you'll receive a coupon for 20 of our famous cookies with their next catering order. [Click here](#) to place your order today!

## Frost Coming Soon at the Farm

With freezing temperatures right around the corner, the farm looks wildly different than just a few weeks ago! We've pulled all of our crops that won't live through a frost, planted cover crops and mulched our beds to help protect soil for the winter, turned and tilled our compost to apply to the farm as fertilizer in the spring, and are gearing up to turn off our irrigation system before pipes get too cold! We've also begun to prepare for next season by propagating perennial herbs to plant next spring and saving seeds from dozens of annual plants to store and plant for seasons to come.

This rich season would not have been possible without the hard working hands and big hearts of hundreds of neighbors, school groups, partners and volunteers. This winter we will be reflecting on the past seasons and looking forward to the years ahead and we'd love your feedback! Please

*\*please note, email is the best way to request catering. Thanks for your business and patience!*
