July at Haley House

Dear Friends,

During the pandemic we have been so moved by the incredible generosity of neighbors, community groups, and foundations. Your donations have helped us to continue to feed those coming to our doors and to support our

received a PPP loan from the government, which helped to cover our staffing costs for several months.

However, as the pandemic continues, we don't anticipate being able to get back to full capacity at the Bakery Cafe in the near term. Our team has deliberated on the best ways to support our employees given this reality and has made the difficult decision to furlough and lay-off some employees, with the hope of being able to restore furloughed positions by the end of the year. Given this uncertainty, we appreciate your [sharing](#) any employment opportunities for our staff members.

We look forward to the time when we can gather together once again to share good food and each other's company. In the meantime, be assured of our gratitude for the good work you are doing in your own lives to promote justice, equity, and healing.

Lots of Sunshine and Produce!

June 21st marked the longest day of the year and we are using every moment of sunlight at the farm to tend to our crops and keep up with the harvest! Each Wednesday our fabulous crew of local teenagers has harvested, washed, packed, and delivered bags of fresh-out-of-the-ground veggies to our neighbors.

We continue to send fresh greens and herbs to the Soup Kitchen and HHBC and also have launched a weekly neighborhood delivery program in partnership with HYCC. Through this program, we are reaching out to Highland Park seniors and other people following strict stay at home guidelines during COVID and connecting them with hyper-local fresh
