New Seasonal Menu at the Bakery Cafe!

Each month during 2021, our HHBC menu will be featuring a soup, a salad, and a special dish, highlighting seasonal ingredients and cultural and historical events. In January, we are excited to be working with fresh citrus, winter greens, and hearty root vegetables. The featured dessert will be coconut shortbread cookies.
With our updated hours (11am-4pm, Thursday-Saturday) we are also adding new baked goods and breakfast dishes to our menu. Check out the menu when we reopen on January 7th.

**Reflecting on 2020 at the Farm**
Winter is a time of reflection for the farm: which crops thrived and which struggled? What can lab analysis of soil and compost teach us? How did our programs serve our participants and what should we do differently next year?

**Summer Internship/Residency Opportunity**
We are accepting applications to join the Live-In Community for 3 months this summer.

Summer Residents/Interns become part of the intentional "Live-in" community and help manage the direct services of Haley House (soup kitchen, food pantry, clothing room). Room and board is included but the program is unpaid. For more information or to apply, click here.

**Volunteer Update**
We have begun to welcome a small number of socially-distanced volunteers into the soup kitchen. If you would like to be considered for a slot in the coming weeks, please click here.

**Special volunteer opportunity:** Haley House is seeking a volunteer who speaks Cantonese or Mandarin to help communicate with guests at our weekly Thursday morning food pantry. Email
This year we grew 3,920 lbs. of nutrient-rich, colorful, and flavorful food, which is close to our capacity until further removal of shade cover and/or installation of season extending infrastructure (low/high tunnels or a greenhouse). About half of the food - 1,733 lbs. - was distributed to our Highland Park Seniors through our home produce delivery program with Hawthorne Youth and Community Center. We welcome your feedback and suggestions as we begin crop planning for 2021 (contact farm@haleyhouse.org).
