## Haley House Appoints New Executive Director!

We are pleased to announce that Reginald Jean has been named the 3rd executive director of Haley House in our 55-year history. Reggie will succeed Bing Broderick on February 28, 2022.

After eight years of focusing on the Bakery Café and its programming, Bing succeeded Haley House founder Kathe McKenna as executive director in 2013. Board Chair Celia Grant shared, “Bing led the organization with professionalism, grace, and magic. He built upon the successes that John and Kathe

McKenna had established and expanded and deepened Haley House’s reach and connection to community in Boston.

“Haley House has a rich tradition of outstanding leaders. Reggie will continue that tradition...Our Board greatly looks forward to working with him to advance our critical mission.”

We look forward to celebrating Bing’s success and welcoming Reggie to Haley House. To read the full statement from our board, please click [here](#).

## Support Libby's Marathon Fundraiser!

We are so excited to share that our very own Libby Federici is going to be running the Boston Marathon this year, fundraising for Lovin' Spoonfuls!

In Libby's words: "A regular part of my week at Haley House includes accepting bountiful donations from Lovin' Spoonfuls' food rescue coordinators, who visit grocery stores and food vendors in the area to distribute healthy and fresh food that would otherwise be discarded. The food that Lovin' rescues comes directly into our kitchen to be cooked and served to folks experiencing homelessness and food insecurity...I'm so excited to give back to an organization that has supported my community for many years."
