

**HALEY
HOUSE**

Annual Report 2025

Dear Friends & Supporters

It's with great pride that I share Haley House's most recent annual report, highlighting our continued impact and growth in 2025.

This report articulates Haley House's ongoing commitment to Using Food for Purpose, as well as The Power of Community, exemplified by the steadfast support of our dedicated community of champions, funders, staff, guests, donors, and partners.

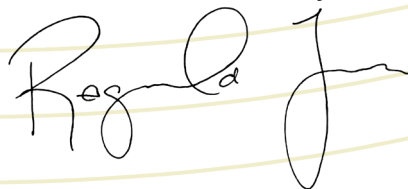

Haley House continued to build on its core areas of impact, including food, housing and economic opportunity. We saw continued growth in our food justice work, including the expansion of Take Back the Kitchen (TBK) classes as well as exciting new projects at the Thorton Street Farm. Haley House also advanced its commitment to returning citizens through the continued success of Life Foundation's Training (LiFT) and expanded partnership with the Office of Returning Citizens;

In 2025, we also launched a new strategic planning process, which will kick off the organization's 60th year and guide Haley House through its exciting next phase. In reflecting on the process with staff and board, this plan is not about shifting directions or reactivity to the current environment. It's about Haley House becoming even more itself, advancing the organization's authentic commitment to transformation through personal relationships and engaged communities.

This report is a reflection of the incredible generosity of the Haley House community. Perhaps nothing exemplifies this support more than the successful Haley House Bakery Café capital campaign Haley House completed in 2025, which raised 100% of its goal for the cafe buildout and positioned us for both the relaunch of catering and of our brand new Bakery Café space in the heart of Nubian Square. Your support has been instrumental in helping us grow and evolve, and we look forward to building on this foundation in the years to come.

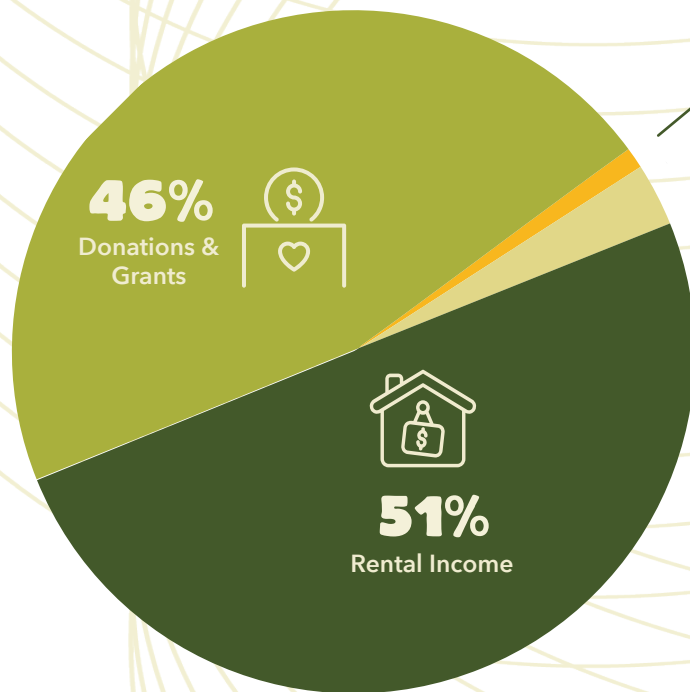

On behalf of all of us at Haley House, thank you for your unflagging support. We cannot do this work alone and our impact in 2025 has truly underscored the exceptional community that surrounds Haley House. As we celebrate our 60th year, we invite you to join us in as we work to advance the values that have informed our mission since the very beginning, envisioning a world where every person's dignity is upheld, people find care in community, and systems are transformed and shaped by a commitment to justice, courage, and collective action.

With gratitude,
Reggie Jean
Executive Director, Haley House

– Keddrick 'KD' Dubon

Haley House Bakery Café

Haley House Bakery Cafe (HHBK) will reopen in 2026. We reached 100% of our fundraising goal in 2025 to build out our new space at 2147 Washington Street in Roxbury. We are successful because of our capital campaign funders:

Thank you

American Tower Foundation

Ajana Foundation

Amelia Peabody Charitable Fund

Cabot Corporation

City of Boston- SPACE Grant

Dedham Savings Bank

Hamilton Company Charitable Foundation

Klarman Family Foundation Community Capital Fund

Lynch Foundation

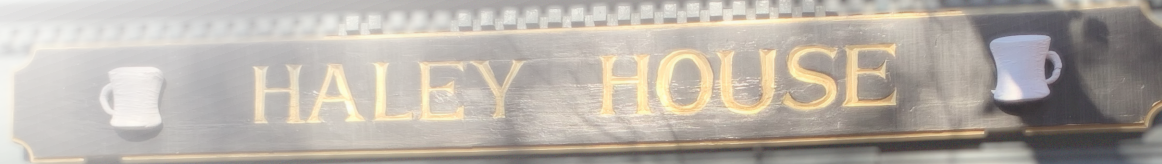

Smith Family Foundation

We were also grateful for our deepened partnership with the City of Boston's Office of Returning Citizens. Thanks to new funding received in 2025, Haley House will be able to hire up to four returning citizens, who will support the Haley House catering in early 2026.

Thank You!

*Whether it was prepping food, serving meals, cleaning up,
or simply taking time to chat with the community members,
every task felt purposeful and appreciated.*
